

23rd Annual Funda Fest

Funda is a Zulu word that means “to learn.” And every January, the Rhode Island Black Storytellers bring a whole lot of learning and fun to their community through Funda Fest. This year, the festival has gone virtual, but the entertainment is as real as ever.

Black storytellers from Rhode Island and across the globe will gather online to share traditions and values through story and song. With events like a virtual pot luck, youth storytelling and storytelling for grown folk, event goers will learn you're never too old for a good tale.
