

# Trucks Talked, We Listened

The **RI Food Truck & Drink Awards** are a celebration of two of our most valuable communities, which keep us happy and fed and deserve recognition. Those same communities have been all but overwhelmed with labor, supply chain and COVID-related complications. We get it - summer is fleeting and often packed with activities, and our timing wasn't a fit this year for those same communities.

So we're extending summer fun into fall by rescheduling this event. It will still take place at **R1 Indoor Karting** in Lincoln, only now on September 13, with a parking lot full of food trucks and samples from numerous local brewers and distillers and celebration of RI's many wheel born culinary delights. More time to vote and more time to try all the delicious food and thirst-quenching drinks featured at our event!

*Motif's Food Truck and Drink Awards will take place September 13, 6pm, RI Indoor Karting, 100 Higginson Ave, Lincoln. Voting will continue through August 29. Vote for the Food Truck Awards at [motifri.com/foodawards2021](https://motifri.com/foodawards2021) and for the Drink Awards at [motifri.com/drinkawards2021](https://motifri.com/drinkawards2021)*
