Bill Bartholomew, Rhode Island's podcaster of record, is set to unleash his other talent on the state on June 11 when he releases his EP *Bats*. This is Bartholomew's first solo album since 2016, and the first in a series of albums he plans to release throughout the year.

Bartholomew will step out of the studio and into the open air on June 18 when he plays a release show at Dusk with Zigmond Coffey and Birt & Harley.
