

Episode #50 - Stefan Couture

Welcome back to Between The Notes. In this week's episode, we welcome *Motif's* Tess Lyons as she hosts a performance and interview with Stefan Couture, a solo, acoustic, jam, artist local to Rhode Island who talks to us a little about his experiences with the music scene, his musical style, and how his love for performing was reignited during the pandemic.

Thanks to our sponsors for the episode: The Parlour, R1 Entertainment Center, Trinity Beer Garden and Grey Sail Brewing.
