

# Coffee with a Side of Floof

We just heard some news that got us so excited we had the 3am zoomies for a week. **Bajah's Cat Cafe** in Tiverton recently celebrated the grand opening of a new concept cafe. Bajah's looks like a normal cafe, complete with New Harvest coffee and Wicked Whoopies, but attached to the cafe by a large window is a separate room — Bajah's Villas — where adoptable cats wait to make your acquaintance. Come for the coffee, stay for the new best friend.

*Bajah's Cat Cafe, 137 Main Rd, Tiverton. Reservations are required to enter Bajah's Villas and interact with adoptable cats.*
