

Gluten-free Dining: The Square Peg

The Square Peg in Warren is the quintessential Rhode Island summer date spot. The outdoor dining on a cool evening or the eclectic bar inside create a lovely experience. The "Wish I Was There" margarita boasts Tanteo jalapeno tequila with lime, guava, Cointreau and pineapple. It was the perfect pairing for the burrito bowl with grilled shrimp. This classic was prepared with great food allergy awareness and excellent, intentional ingredients. I will be back again!
