Starting this Thursday, Mooby's, the fictional restaurant set in Kevin Smith's View Askew-iverse, will be in Providence for RI Comic Con!

The iconic pop-up will set up shop in Trinity Beer Garden right by Kennedy Plaza, just around the corner from RI Comic Con. Mooby's was originally featured in Smith's *Dogma* and eventually became the backdrop of *Clerks II*. This year's RI Comic Con event will feature the largest *Clerks* cast reunion yet to be seen, including Brian O'Halloran, Jeff Anderson, Jason Mewes, Marilyn Ghigliotti, Scott Schiaffo, Kevin Weisman, Trevor Fehrman and Kevin Smith himself.

Mooby's Pop Up co-owner Derek Berry is excited for the event. "Mooby's is PUMPED to be taking over Rhode Island, for our first ever Comic Convention!"

“RICC is a top notch event for Mooby’s and to top it off, it’s housing the biggest Clerks reunion ever, so how could we not pop up! Come snack on some Cow Tippers and Cow Dongs in REAL life, while sipping it down with an I Assure You We’re Open beer!”

Mooby’s Pop Up will open at Trinity Beer Garden, 2 Kennedy Plaza in Providence. Hours are Thursday, November 4th - Sunday, November 7th from 11 AM to 9 PM. Walk-ups are welcome but ordering ahead is recommended. You can place your order at moobyspopup.com
