

# 2019 Music Awards

The nominees are out!

We asked club owners, booking agents and journalists - anyone with expertise in our local music scene - to nominate their favorite musicians for the Motif Music Awards. We reached over 60 of them. The results of their efforts are here and now we turn it over to you, our readers, to make your voices heard. Vote for your favorite nominee or write in your favorite unofficial nominee before Sunday, March 17.

Attend the 2019 Award Show on Monday, March 25 (chosen as the day of the week musicians are most likely to have off. But also, come on, where else can you party like a rock star on a Monday night?) at Pawtucket's The MET.

And of course, pick up the latest edition of Motif Magazine wherever you usually find us! Can you name the guy on the cover?

We asked club owners, booking agents and journalists – anyone with expertise in our local music scene – to nominate their favorite musicians for the Motif Music Awards. We reached over 40 of them. The results of their efforts are here and now we turn it over to you, our readers, to make your votes heard. Head to [www.motifmag.com](http://www.motifmag.com) to vote for your favorite nominee or write to your favorite local nominee before Sunday, March 7 and come see who won at our annual extravaganza Monday, March 25, at the MET 1005 Main St, Pawtucket.
