

# PVD Fest Hits the Streets

PVDFest takes over Downcity once again June 6 - 9 with music, art, food and fun. Featured performers include aerialists eVenti Verticali and tap dance sensations the Syncopated Ladies, among others. Also check out a camera obscura dome created by local art house Pneuhaus, a pretzel eating contest (see page 12) and the installation of semi-permanent public sculpture (see page 4).
