

Get Out!: PVDFest announces a DOWncity scavenger hunt

PVDFest has joined the ranks of organizations stepping up to entertain and delight cooped-up locals despite the changes social distancing has forced. This certainly isn't the summer for the throngs of people dancing in the streets PVDFest usually encourages, but an outdoor scavenger hunt with your bubble? That idea kind of has us dancing.

On August 3, PVDFest will announce via its social media platforms its 15 scavenger hunt locations, all located on the PVDFest footprint. Then you and your bubble, armed with cameras, are tasked to find those spots and snap a picture or video of yourself at each location. Post your finds on social media with #PVDFestHunt and you'll be eligible to win some prizes!

The PVDFest scavenger hunt runs from Aug 3 - 17. For more information, go to pvdfe.com/pvdfesthunt
