

Saint Nip: Santa stroll hits bars in Jewelry District

What do you want for Christmas? Put aside your wishes for world peace and that shiny new bike, here's one better: A Santa Stroll.

What's a Santa Stroll you might ask? Picture a group, on the larger side, all dressed up as their versions of Santa, strolling together from bar to bar with activities and offerings from each location along the way.

You must have been nice this year because The *Motif* Santa Stroll is coming and you're invited!

Stroll through the Jewelry District as the group makes stops at locales like Xaco Taco, Nick-A-Nees, The District, Mirarbar, and Askew. Activities along the way range from group caroling to ornament making, from special drinks to holiday tacos, and including reindeer-inspired games.

When the stroll ends that doesn't mean the night does. Join us for our Annual *Motif* holiday party at Askew. Tarot card reading, henna tattoos, live musical performances by the John Allmark Jazz Orchestra and more are part of the night! Don't forget to mark your calendars for December 15th.

Tickets for the holiday event are now up on Eventbrite, \$25 for General and \$35 for VIP. For more information and updates check out the event page on Motif's Facebook.
