

Shake Your Groove Thing

Roller disco is coming to Providence! Thursday and Friday nights, the rink at the **Bank Newport City Center** will be transformed into a massive outdoor Roller Disco. **PVDLive** is curating Thursday nights and **Conscious Club** curates the DJs and live performers Friday night, while the mood is set by a spinning disco ball. The Trinity Beer Garden will be serving up beverages and snacks.

After a long pandemic year, strap on your wheels and proclaim to the night, in the immortal words of Gloria Gaynor, "I Will Survive!"
