

Trivia

TRIVIA

You Can't Make This Stuff Up!

Actually, you can. And people did! See if you can name these fictional diseases from books and film (and the playground).

- 1)** Name the disease that was the impetus for the dystopian setting in Stephen King's *The Stand*.
- 2)** Name the disease that passes easily through skin-to-skin contact with a member of the opposite sex.
- 3)** Name the Marvel Multiverse disease that only attacks mutants; just before death it causes a flareup of their special powers.
- 4)** Name the disease that causes zombie-like symptoms in its victims in *World War Z*.
- 5)** Name the disease Joe suffers from in the film *Joe Versus the Volcano*.

You Can't Make This Stuff Up!

Actually, you can. And people did! See if you can name these fictional diseases from books and film (and the playground).

- 1) Name the disease that was the impetus for the dystopian setting in Stephen King's *The Stand*.
- 2) Name the disease that passes easily through skin-to-skin contact with a member of the opposite sex.
- 3) Name the Marvel Multiverse disease that only attacks mutants; just before death it causes a flareup of their special powers.
- 4) Name the disease that causes zombie-like symptoms in its victims in *World War Z*.
- 5) Name the disease Joe suffers from in the film *Joe Versus the Volcano*.

Answers

- 1) Captain Trips 2) Cooties 3) Legacy Virus 4) Solanum 5) Brain Cloud
